Description

Lovely painting of a Continental Landscape possibly Northern France/Belgium. This confidently painted painting of a busy townscape shows a lively composition of industrious activity executed in a fluid and painterly impressionist technique. It is superbly balanced with a cool and restrained palette. C1900 Indistinctly signed. We do have another painting which we feel is the pair of this painting as signatures are in opposite corners although having different frames. This is listed separately. As a pair these would look lovely together in any home. If required we could reframe one of the paintings so that they do match. dimensions are: 42 inches x 29.5 inches framed 35.5 inches x 23.75 inches without frame. If you require any further information please do not hesitate to contact us. Regards Chris
