Description

Full and professionally restored. This is a wonderful opportunity to own a genuine Victorian solid brass oil lamp dating to around 1890. It has a cranberry coloured reservoir and a finely etched round shade. The lamp really stands out because of the unusual shaped base with the slightly domed centre. It has been fully and professionally restored with the brass being bright and crisp yet retaining the patina you would expect from a lamp of this age. The shade, reservoir and chimney are in perfect condition with no chips or cracks. It measures 22.5" maximum height and the base is 8" across. Delivery within mainland UK is included in the price.
