Description

Fully and professionally restored. This is a wonderful opportunity to own a genuine Victorian oil lamp c1890. It has clear glass reservoir with a fluted and etched shade which has a pale green top. What really makes this lamp stand out is the solid cast iron base. The reservoir, shade and chimney are perfect with no chips or cracks. The shade is a later replacement but this in no way detracts from the lamp at all. It measures 21" high and the base is 7" in diameter. You are more than welcome to view this lamp or any item we have listed.
