Description

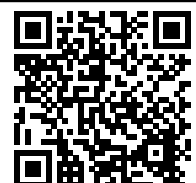

**** FREE DELIVERY TO MOST OF THE U.K. **** Lovely Oak Twin Panel Coffered - Fine Colour - c1700 This coffer chest is an attractive and functional piece of furniture with compact proportions. The piece was once handled by the former Newbury dealer Windsor & Neate and has the original plate in place to the rear. Dating from c1700 the coffer is nicely presented and it is in good order. The coffer has a twin panel front with linear engraving to the frame sections. Externally the coffer displays a very desirable light hue to the oak and the piece has good patina. Internally the piece benefits from a clean interior and therefore would make excellent storage. Overall a really practical piece of furniture in good antique order and a great collectable size. As with all our items this comes with our 100% satisfaction guarantee.
