Description

This is a gorgeous 19th Century painting of a Russian Bishop Crozier by the famous Goldsmith and Silversmith Co. This would of been painted to show what the design would look like prior to making. The painting is on vellum. On the white card it says The Goldsmiths and Silversmiths Company Ltd 112 Regent Street SW1. The painting is stunning, the surround is very dirty due to age. It measures 25" by 14.5". It is stunning the buyer will be delighted. I do have another one which I have listed. They would look fabulous once in a frame. Please view my other interesting items. Many thanks. Karen
