Description

This is a very special individual king size brass and iron bedstead with stunning brass detail in foot end and complimenting casting details in head. This type of bed was designed as the foot end is the part seen when entering the room and from within the bed. Iron work has been restored in traditional black. All original brass has been carefully and thoroughly polished to show it's full glory. Brass can be lacquered on request; currently left to dull naturally. Price includes wood slats but not mattress. We can supply platform top mini upholstered box bases for support for quality mattresses/ main bed. Price £225. We can also supply hand made mattresses in all comfort choices. National and international delivery can be arranged.
