## Description

Large Oak Dresser Top - Plate Rack - c1800 This display dresser top is presented in superb condition and is crafted from Oak. This large and very functional piece offers both beauty and practicality. The addition of the twin cabinets with field panelled doors and working locks really adds to the style and practicality. The piece is suitable as a dresser top over a traditional base, wall mounted as a plate display rack or located behind a work surface to provide character shelving. The construction of the piece is excellent and the whole is crafted from solid oak throughout. Each shelf benefits from plate grooves and the top is capped with a fine crown moulding. Overall this is a wonderful piece of furniture that is in excellent order throughout. The whole piece offers great interest.
