Description

Victorian Fireside Fuel Store Cabinet - With Brass Scoop - c1900 Late Victorian cross-veneered mahogany flap-door coal/wood store cabinet complete with brass shovel. This example benefits from a very attractive solid brass top handle and matching lower pull. Inside there is a lift out metal liner scuttle. The cabinet is complete with a lovely wooden handled brass shovel. Overall a super piece of fireside furniture which looks attractive and functions nicely. The piece is clean and well presented. A very versatile size and adaptable to suit other non-fireside storage requirements.
