Description

A very attractive scroll shaped mantle clock of nice proportions. The oak case is in nice condition being golden oak in colour and nicely polished. It has a bevelled glass lenticle beneath the dial allowing the brass pendulum to be seen in motion. The 6" convex dial is enamelled with black Arabic numerals. It has a heavy cast brass bezel with bevelled convex glass. The clock strikes on the half-hour and the hour with a very crisp mellow tone. It has just been serviced by our BHI registered staff. Dimensions(max) Height 11.5" (30c.m.) Width 17" (43c.m.) Depth 6" (15c.m.)
