

SA145571

19th Century Walnut Chest of Drawers Caryatids

Price

Sold**Item Reference: SA145571****Date of manufacture: 1900**

Description

A gorgeous late 19th Century Renaissance Heavily Carved Walnut Chest of drawers with the most amazing carvings of caryatids with mythical beasts to the front and sides. It has large paw feet and is in very good condition. It measures 61" wide by 25" deep and 47.5" high. The buyer will be delighted. I do have a pair of chest of drawers which match this chest. Please view my other interesting items. Karen PS Call me or email with any questions.
