Description

A delightful pair of English turned Oak barley twist candlesticks in a rich dark colouring and a wonderful shiny patina. This pair is taller than most, towering 14" tall. Dating to around 1890 or 1900, late Victorian in era, this pair is lucky enough to have the solid brass tops cast in the form of a Scottish thistle, always very desirable. Superb condition and ready for use with a base diameter measuring 5 1/2". The sticks do stand straight, the photographs may make them look crooked but this is not the case.
