## Description

**\*\* FREE DELIVERY TO MOST OF THE U.K. \*\*** Walnut Specimen Cabinet - Four Drawers - c1900 Lovely small set of drawers originally designed to accommodate a range of flatware and suitable as a collectors specimen display cabinet. The drawers offer the following internal depths: Tier one - 3cm Tier two - 3.5cm Tier three - 5cm Tier four - 7cm The cabinet benefits from excellent original brass handles and fittings. The lock is fully functioning, locks securely and complete with key. The drawers slide with ease and have flush handles fittings as per the outside. They look fabulous with excellent grain to the front. The drawer linings are of a blue felt and the piece would welcome some new material to the inside as the original covering is torn and missing in places (see images).
