Description

Always popular are these antique bread forks, so very elegant on the table to serve all sorts of things. They are particularly sought-after in sterling silver rather than silver plate and even more desirable with these beautifully iridescent Mother of Pearl Handles. The fork is beautifully engraved both sides and attached to the handle with a highly decorative ferrule. Both the fork and ferrule are hallmarked, for Birmingham 1904, making this an Edwardian example. Excellent condition, measuring 6 1/2" long.
