Description

Superb Fruitwood Table - Fine Condition - c1900 This continental fruitwood table is a lovely size and very versatile. The table is presented in excellent order throughout. The table benefits from a top in fine condition with great depth of colour. There is a superb 'pie-crust' edge to the top and further hand carved detail to the frieze below, both of which give the table an extra dimension and add to the interest of the piece. The supporting base displays well turned primary legs flanked by a pairing of barley twists. There is a well carved stretcher uniting the leg pairing adding elegance and making the table very robust. The legs ride into a mini-plinth base at each side and then terminate with scroll toed feet. Overall this piece of furniture is in exceptional condition and suitable for a variety of locations.
