

SA147470

Antique Wall Clock by Lambert of Colchester

Price

Sold**Item Reference: SA147470****Date of manufacture: 1860**

Description

A good quality antique mahogany drop dial wall clock. The 8 day duration single fusee movement with anchor escapement. The 12" flat round dial with Roman numerals, blued steel hands and signed Lambert - St Botolph Street, Colchester. The mahogany case with access doors to the base and the side of the case. The glazed brass bezel with a slivered brass sight ring and a bevelled flat glass. The front elevation veneered with well figured mahogany and inset with a pendulum viewing window edged with brass and ebony. The case also retaining its original carved mahogany ears. A excellent example of a mid 19th century drop dial wall clock. Height: 20"
