Sold**Item Reference: SA148561****Date of manufacture: 1880**

Description

A wonderfully tactile large perfume flask, the type that would have been used for an Eau de Toilette or Eau de Cologne, rather than the more concentrated perfume. The large flask is a joy to hold with its crisp hand cut surface with smooth lozenge in the centre of the front. The collar and screw top are lavishly gilded and once removed reveals a glass stopper in the top. Excellent condition dating to the Victorian era, around 1880 and measuring 5 1/2" tall.
