Large Victorian Glass Dome Taxidermy Clock

Price

Sold

Item Reference: SA148605

Date of manufacture: 1890

Description

This is a very large Victorian Glass Dome with a wooden base. It measures 32" high by 15" wide. I do have smaller domes if you are interested in a different size. The dome is housing a sawfish bill which is not part of the sale but could be sold separately. Please view my other interesting items. Many thanks Karen
