An attractively presented set of mahogany dining chairs. This set displays a pleasing narrow waist rising into a serpentine balloon with a gorgeous carved centre rail back support. These chairs benefit from a wonderfully classic look due to the cabriole front legs with moulded edge leading into a fine foot. The set is in good condition throughout. The seats are covered in a quality textile with matching braid. They offer comfortable seating. The chairs are solid of joint. Overall a very stylish antique set of chairs suitable for regular use.
