Description

**** FREE DELIVERY TO MOST OF THE U.K. **** Wine Table Standard Lamp - Fine Condition - c1900 This mahogany standard lamp with centre wine table is superbly presented and is provided complete with a high quality shade. It is a most useful standard lamp due to the serpentine edged table and makes a wonderful choice as a reading lamp next to a favoured chair, or as a display piece. A tri-leg base with cabrioles and shaped feet leads to a reeded under-column leading through the table to carved detail and then to a fluted tapered main pole. The lamp benefits from a standard lamp fitting, which accepts the most common bayonet type household bulb, and has a regular lamp shade frame attachment. All standard shades will fit the piece. The lamp is complete with the quality shade seen in the images. The lamp is re-wired, tested and supplied with a generous length cable and plug ready to use. Overall this piece of furniture is in very good condition with fine colour. This piece would look magnificent in any location.
