Sold**Item Reference: SA151008****Date of manufacture: 1800**

Description

An early 19th C pearl glazed tankard, the cylindrical body decorated with handpainted foliage and flowers band and brown banding to the upper rim and lower foot, the handle with brown line decoration as well. A good early piece, however, there is a hairline fracture to the base (doesn't go all the way through) and a slight hairline to the front of the tankard - both shown in photos. We have another pearl glazed tankard listed on our website which would look smashing with this one! H: 6 1/4" Diameter of base: 4 1/4"

Internal Ref: 16871
