Description

Superb colour and patination walnut chest from the early 18th century. A great choice of veneers decorate the carcass with oak lined drawers. The good quality later brass handles very much in the keeping for the period. The bun feet are also replacements but again add to the early look of the chest. The quarter veneered top is inset with feather banding and then finished off with crossbanding. The drawers are also decorated with feather banded edges. Cross Grained mouldings throughout. This item is fully restored and ready for the home or we can ship anywhere in the world, please do enquire? Dimensions - width 41 3/8 inches. height - 37 1/4 inches. depth 22 3/8 inches. Thanks for looking and any questions or queries please do ask us? best wishes chris
