Description

Silver stand/holder for a date box; of plain rectangular form with arched ends, this super piece is really unusual. It rests on four wonderful cast ball and claw feet. Even the most delicious dates come in fairly unattractive plastic or wooden boxes, and this piece gives the opportunity to display them on your dining table in elegance. Good quality piece. Sheffield. 1913. Walker & Hall. Length 22.5cm. (Dates currently £1.50 from Tesco!)
