Description

A lovely clean example of a Mauchlineware card box, with the lid decorated by some attractive transfers and three decoupaged miniature playing cards. The interior reveals two compartments for playing cards, it does have two packs of vintage cards, which I have left (not great shape), but not checked to see if they are complete. Excellent box in great shape, measuring 6 1/4" x 4 1/2" x 2 1/4" tall. Item ID: 33994 FREE Worldwide Registered Airmail Directly From London, England
