Description

Silver Crowned Cut Glass Shaker - London, England - 1929 A charming sterling silver & cut glass shaker from the English London Silver area dating 1929. The piece stands at 5.5" tall. The piece is stamped as originating from the London locality. The individual makers mark is indistinguishable. The glass body is presented in very good condition and is free of any damage or chipping visible to the naked eye. It displays a pleasing shape and interesting detail. The silver top has small dings as seen in the photographs, however these do not detract from the attractiveness of the piece. A lovely table accessory and collectors piece.
