Description

Japy Freres Rococo Cartel Clock ~ French - Circa 1870 ~ ~~ Excellent condition, fully overhauled ~~ A beautiful original antique French Rococo cartel wall clock by Japy Freres. It is a delicate, asymmetric design. To one side is a scroll with a fretted panel and to the other a floral swag with a snake entwined around a branch. An acanthus scroll sits on the top of the clock and a bold 'C' scroll beneath the dial with a ribbon and bow. Behind the 'C' scroll, the pendulum can be seen swinging gently. This is very well made clock with sharp detail and a bright finish. The dial is enamel on copper with blue hour lettering and a separate minute ring. It is complete with original finely fretted, gilt brass hands and convex glass and has the retailers signature. The movement is by Japy Freres and has the makers 'Grande Medaille D'Honneur' mark on the backplate. It is of high quality and is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is a replacement. It runs for 8 days and strikes the hours and halves on a bell. Click the video clip below to hear the bell and watch the clock running! Condition of the case is excellent...
