Description

English Oak Triple Drawer Lowboy - George II - c1750 This Oak Georgian lowboy desk table is a pleasing example with classic Chippendale straight leg. The piece presents very attractively and is in good order throughout. The triple drawer design provides for a functional piece with twin deep drawers flanking a wider, shallower letter drawer. The drawers benefit from oak linings and cock-beading with brass loop handles with solid backplate. The Oak displays very well and the whole piece is in very good order and solid throughout. Overall a very desirable antique with good proportion. It will serve as a desk, side table, display, hallway or lamp table.
