Ships Stick Barometer

Price

Sold**Item Reference: SA156844****Date of manufacture: 1800**

Description

Rare early 19th Century maritime barometer mounted on a wall bracket with a brass gimbal arrangement to allow for the movement of the sea. It also has a ring on the top to enable it to be suspended from a ceiling or bulkhead. The top section is the barometer with a thermometer in the centre, there is also a key for adjustment. Unknown maker but of obvious quality, this barometer will be serviced and recalibrated prior to delivery. Size: Height - 37" (94cms)

Internal Ref: 30153
