Description

**** FREE DELIVERY TO MOST OF THE U.K. **** Tall Victorian Cheval Mirror - Stunning Condition - c1900 A lovely example of a tall late Victorian Mahogany Cheval Mirror presented in superb condition. The mirror benefits from a well formed back-panel therefore allowing positioning in a location where the piece may be viewed from all angles and not just restricted to a corner or against a wall. A serpentine shaped mirror frame adds interest to the piece and marries well against the turned finial caps atop each strut. The piece rides upon sweeping legs which terminate with an attractive slender foot. The mirror plate is in excellent order and original bronze fittings are present to the side. Overall a very pleasing Victorian period cheval mirror in very good order throughout. Perfect for daily use or to dress a room.
