Description

Edwardian Bookcase Display Cabinet - Superb Condition - c1910 An Edwardian bookcase with adjustable shelves presented in superb condition. The piece is pleasingly crafted and in great condition. Riding upon ogee bracket feet the cabinet rises with fine inlay through the perimeter of the astragal glazed door. Four adjustable shelves give scope for items of different sizes to be accommodated. The piece also benefits from brass rails to the upper and lower of the door allowing for textile to be fitted internally if required. To the top the piece has further fine inlay and stringing. This is in excellent condition as per the rest of the cabinet. There is a key but the lock does not function. Overall a very desirable Edwardian piece in fine order. A classic English antique which offers tremendous style as well as being a functional item of furniture.
