Description

Globe Wernicke Bureau Bookcase - Mahogany - c1920 An original Globe Wernicke bureau bookcase with splendid fitted interior presented in excellent condition and bearing the London version of the makers mark. A lower level drawer cabinet provides the base under a lift front bookcase with original bevel edge glass. The bureau section presents a fall front over a full width desk drawer. There are a pair of drawers, cubbies and letter slots within the very pleasing fitted interior. Original hinging, straps, handles, components and front legs (complete with the important original clips) are present throughout. The original key is included and the lock functions fully. Overall a very desirable example in good order. The piece has been well cared for during it's life. There is a old contraction line visible across the front of the fall flap which we mention for the sake of accuracy as it does not detract from the piece.
