Description

Large Georgian Cheval Mirror - Superb Condition - c1800. A lovely example of an English late Georgian large Cheval Mirror c1800. An elegant example of Georgian design featuring twin swept legs the mirror makes a beautiful statement piece. The mirror benefits from a well formed back-panel therefore allowing positioning in a location where the piece may be viewed from all angles and not just restricted to a corner or against a wall. The original domed mirror plate is in fine order with a moulded mahogany veneer surround. It is supported by moulded square section tapered riser bars terminating with a turned finial. The mirror plate displays one area of light foxing and is perfect for daily use. The piece rides upon original end-capped solid brass feet and castors. Overall a very pleasing English Georgian period cheval mirror in exceptional order. The larger than average size and wonderful proportions of the piece make this a rare find. Perfect for another 200 years! Please do not hesitate to contact us if you require further information - we are here to help. 169cm (66.5") Height 87cm (34.3") Wide 57cm (22.4") Deep.
