Antique Regency Painted Chest of Drawers

Price

Sold**Item Reference: SA161684****Date of manufacture: Regency**

Description

A beautiful early Regency chest with five drawers and original brass swan handles. The piece is painted in a lovely off white which over time and with wear has achieved a stylish, genuine distressed look which shows the previous layers of paint. This bow fronted chest has a lovely shaped top which sits over graduated drawers between two stunning turned fluted pillars. The chest of drawers sits on bun feet. This is a real designer piece, of perfect proportions
