Pair of 19thC Brass Candlesticks

Price

Sold**Item Reference: SA161744****Date of manufacture: 19th Century**

Description

A pair of top quality, Victorian candlesticks with beautiful detail throughout. Each holds four candles in egg shaped candle cups and they measure 18" (46cm) in height. They are the finest quality brass candlesticks I have ever had and they weigh a lot!! I haven't found a maker's mark, but the craftsmanship is excellent.
