Description

**** FREE DELIVERY TO MOST OF THE U.K. **** Stunning Gilt Screen - With Centre Pane - c1850 A very attractive Victorian period French screen with triple panels presented in good condition. The gilt wood frame is in strong condition and the piece stands sturdily. Twin serpentine side panels flank the central master panel which has additional interest created by an oval window complete with original glass. The screen benefits from wonderful gilt gesso detailing with fine foliate swags to the outer panels and a pleasing moulded edge throughout. Panels can be moved/folded without restriction due to the tri-fold hinges present. The screens are upholstered with a quality textile. Overall a lovely display item with scope to be used in a variety of locations. The screen is an unusual example and offers terrific character and chic charm. Please do not hesitate to contact us if you require further information - we are here to help 167cm (65.7") - Height of centre panel 46cm (18.1") - Screen width side panels 50cm (19.7") - Screen width centre panel Please see the images for the full dimensions of this item We offer a 100% satisfaction guarantee We ship Worldwide
