PAIR OF EDWARDIAN GLASS DROP BAG LIGHTS

Price

Sold**Item Reference: SA162463****Date of manufacture: 1900**

Description

A pair of late Victorian-early 20thC 'bag lights' with all the original drops and glass flowers around the rim. They don't need wiring as the electrical cable runs through the ceiling hook and the light bulb hangs in the middle. They measure approx: 15cm (6") in diameter and (24cm) 9.5" from the brass rim to the very bottom of the glass finial - the chain length hasn't been included.
