

SA162538

Victorian Fusee Skeleton Clock.

Price

Sold**Item Reference: SA162538****Date of manufacture: Victorian**

Description

Complete with its original glass dome, this beautiful clock has just been fully overhauled by our BHI registered staff and is in pristine condition. It has an 8 day, fusee movement and a silvered dial with black Roman numerals. The scrolled plates are quality hand cut thick brass. All brasswork has been thoroughly cleaned and then lacquered to prevent further tarnishing. All screwheads have been polished and lacquered. It is a gem, both to look at and hear. The clock stands on a white marble base over an ebonised wooden plinth. Importantly, the glass dome is original to the clock, as are all parts. Dimensions: Height to top of glass dome 17" (43cm) Ebonised wooden base 13" X 7" (33X9)
