Sold**Item Reference: SA163552****Date of manufacture: 1890**

Description

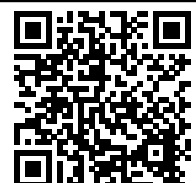

Unlike many this is a genuine substantial Victorian mahogany partners desk with nine drawers on either side. It is in very honest used condition with some fading to the wood, the nine cockbeaded drawers all have their original turned handles and the leather top is almost certainly original. It would benefit from some attention but this is reflected in the price. Size: Width - 60" (153 cms) Depth - 42" (107 cms) Height - 30" (76 cms)
