A PAIR OF MIRROR BACKED GLASS DROP WALL LIGHTS

Price

Sold**Item Reference: SA164681****Date of manufacture: 1920**

Description

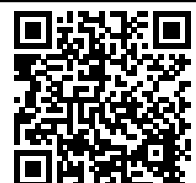

Circa 1920, these have not been photographed at their best! They are complete with three tiers of glass drops, faceted glass swags around the top, and a large faceted glass drop at the bottom. They have fitted mirrors at the back which were replaced sometime ago, and the light fitting has been recently rewired to comply with UK regulations. The previous owner painted over the metal framework in silver/chrome and it enhances the overall effect. They measure 11" (28cm) in length and 9" (23cm) in width.
