PAIR VICTORIAN GAS WALL LIGHTS

Price

Sold**Item Reference: SA165042****Date of manufacture: Victorian**

Description

A pair of excellent quality, brass Victorian gas wall lights converted to electricity, with the gas tap secured to a fixed position so it doesn't damage the wiring. They are 14" (36cm) in length with a 4" (10cm) backplate and are 7" (17cm) from the tip of the ornate front to the lampshade holder. In perfect condition, these are a pair of good quality gas lamps from the late Victorian early Edwardian period.
