

SA165281

PAIR OF LARGE ANTIQUE GLASS DROP CEILING LIGHTS

Price

Sold**Item Reference: SA165281****Date of manufacture: 1910**

Description

Circa 1920-1940's these four tier, glass drop ceiling lights all have their original multifaceted, good quality heavy glass drops in place. Around the top of the frames are little glass flowers with tiny pale blue beads in the centre, and at the base of each light is a faceted drop which completes the 'bag' shape. They do not need rewiring as the cable runs through the ceiling fitting and the light bulb hangs in the middle of the drops. They measure 41cm in length from the ceiling fitting to the drop at the bottom and approx 25cm in width. The price is for the pair, including delivery within the UK mainland only, or collection from Surrey can be arranged.
