Description

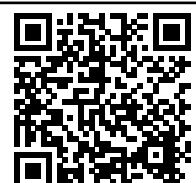

A lovely quality and most unusual inkwell made from brass which I have just had professionally polished to gleam. The inkwell itself is in the form of a sphere with exquisite and finely executed engraved decoration including pretty floral garlands to the top. The top is finished with a chunky ring. The interior incorporates a removable glass ink chamber making it easy to refill and clean. Dating to the Victorian era, this example dates to around 1880. Excellent condition with a base diameter measuring 3 3/4"; standing 4" tall excluding ring. Item ID: 34175 FREE Worldwide Registered Airmail Directly From London, England
