Description

This very versatile mahogany table can seat up to 12 people. It comprises 2 half round tables and 3 loose leaves, therefore if needed the 2 half rounds could go against a wall and the leaves stored elsewhere. Most people would probably wish to use it and keep it up with 2 leaves in (ideal for seating 8) and use the extra leaf occasionally (Christmas!). The photos show it with 3 and 2 leaves in but we have plenty more photos available. This table has the advantage of having only 8 legs and therefore it is easy to put chairs underneath the table. It has a glorious old wax patina, never having been stripped and re-polished. It is in excellent condition. Width 48" (122cm) Full length 107" (269cm) Length with 2 leaves in 87" (220cm) All the leaves are 19.5" (49cm) Free delivery in the UK.
