Description

I bought two of these (shown together in the last photograph), sold individually but making a good pair made by the same silversmith but with different marks. The style is clearly Arts and Crafts with a hammered body, repousse stylised spades and foliate and spade engraving. The underside of this one has the mark for Lee & Wigfull of Sheffield as shown and EPBM for Electro-Plated Britannia Metal. Excellent condition with a base diameter measuring 5 3/4" and standing 7 1/2" tall. See item # 34170 for the matching piece. Item ID: 34171
