Description

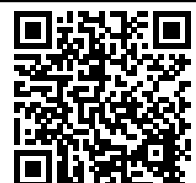

Always nice to find something a little different, this pair of candlesticks fit into that category. They almost have an Art Nouveau flair to them with Sunflower style motifs and the stylized foliate columns. I can't find a makers mark on the, but numerous stamped pattern numbers and other marks around the rims of the underside. Each have a removable drip tray for easy cleaning. Quite beautiful and in excellent condition. The base measures 4" in diameter and stand 10" tall. Item ID: 34193 FREE Worldwide Registered Airmail Directly From London, England
