Description

A highly attractive pair clothes brush filled with natural bristle, in great shape, making them a very usable pair today. The glossy panels of tortoiseshell are set within highly decorative raised sterling silver frames. The shell is inlaid with some of the most attractive silver pique inlay, very elegant and stylish. The sterling silver frame (on one the pair) is clearly hallmarked for Birmingham 1913, the makers initials are also present for the well renowned English silversmith, Synyer & Beddoes. Unusually. The natural bristles are different, one firm to use on coats, jackets and the like, and the softer bristled one would originally have been used to brush up felt hats and the like, perfect for more delicate fabrics. Excellent condition measuring 6 5/8" x 1 1/2". Item ID: 34205 FREE Worldwide Registered Airmail Directly From London, England
