Sold**Item Reference: SA170535****Date of manufacture: 19th Century**

Description

This is a wonderful example of a 19th Century Vase with cover in the manner of Masons. Lovely rich colours and beautiful decoration and design. There is a stapled repair to base, which in my opinion I believe that the crack happened during the firing process when the vase was made. As there is no sign that the vase was ever broken into two parts. Measurements are: 20 inches high 8 inches by 8 inches base. Do not hesitate to contact us for further information. We can deliver to any part of the World, just ask for a quote. Best Wishes Chris
