Description

Another superb specimen from the private collection of Gustav Becker Viennas we have recently acquired in it's entirety. A fine mahogany case with book-leaf quarter veneered backpanel and all original finials and pediment. It retains it's original french-polished finish and has a wonderfully rich, warm patina. The enamelled dial is free from any chips, cracks or crazing. It has black Roman numerals and subsidiary seconds dial. It is clearly marked with the Gustav Becker logo, as is the back of the movement. The brass weights and pendulum are in pristine condition. The 8 day movement strikes on the half-hour and the hour and has just been fully serviced by our BHI registered staff. Dimensions: Overall length (including finials etc.) 51" Max width 17" Max depth 7.5"
