Description

Japy Freres Antique French Clock Set - Superb Quality. ~ French - Circa 1890 ~ ~~ Excellent condition ~~ A Superb Japy Freres clock set, very chic classical design and beautifully made from brass. The four sides of the clock case are delicately fretted with foliage and floral swags. The top of the case is surmounted by a tapered finial in the shape of a topiary tree. Six light candelabra are modelled as tangled foliage and sit upon a vase with mythical creatures. The bases complement the design of the clock and have 2 bold scrolls. Dial is enamel on copper, with blue hour lettering and a black minute ring, it is complete with the original fretted brass hands and convex glass. The back door of the clock is also glazed to allow the movement to be seen - the whole set is modelled all around allowing the clock to be equally well displayed in the centre of a room as to the side. Antique Japy Freres movement runs for 8 days and strikes half-hourly on a bell. It has been fully restored in our workshop and is in excellent clean and running condition. The pendulum is a new replacement. Click the movie below to see and hear the movement working! Condition of the c...
