Description

Antique French Bronze Bracket Clock. ~ French - Circa 1880 ~ ~~ Excellent condition ~~ This is a large and majestic bronze bracket clock, standing at over 2 feet in height. The style is French gothic, lions mask handles to the side of the case and a large urn surmounts it. Dial is also bronze, minutes are engraved on the outer edge and the hours are 12 enamel cartouche letters. The French movement is of excellent quality, it runs for 8 days, striking half-hourly on a bell. The pendulum is a replacement. Our clockmaker has cleaned and serviced the movement, it is in excellent clean and running condition - click the movie below to see and hear the movement working! Condition of the case is excellent with a lovely original bronze patina, just a few tiny marks which are not noticeable. The dial cartouches are in excellent condition, there are some tiny chips to the edges. Complete with pendulum, bell and a suitable key. Full setting up instructions supplied if required. Dimensions of clock: Height 25 1/2", Width 13 1/4", Depth 10 3/4". Please see our website for more pictures <http://www.dragon-antiques.com>
