Description

~ French - Circa 1890 ~ ~~ Very good condition ~~ A very decorative Antique French Delft clock set. The bodies of the clock case and the candelabra are Blue and White Transfer Ware pottery in the style of Delft, decorated with exotic flora and parrots, and mounted with gilt brass fittings. The pottery bodies are not marked but were most probably made in Belgium. Original dial is enamel on copper which is decorated with a scene of a castle in a mountainous landscape. The antique French movement is of excellent quality. It runs for 8 days and is in very good clean and running condition having been fully overhauled by our clockmaker. We have replaced the missing pendulum. Click the movie below to see and hear the movement working! Gilding is in excellent original condition, bright and fresh with hardly any wear or discolouration. The clock case is in very good condition with no chips, scratches or cracks. One candelabra body has some cracking around one of the side fittings, see the pictures below. This doesn't detract from the display of the set and is only visible on close inspection. One brass sconce has some stress cracking. The enamel dial is in excellent con...
